MISSION IN KINGSTON, JAMAICA

Salvations

Every Saturday Pastor Desmond and his team go out on the streets to pray and share the gospel. April 6th was an especially fruitful harvest for the Kingdom. In an afternoon over forty people came to know Jesus. As Pastor Desmond and team walked through the neighborhood they came across a group of about twenty-five young men from the age of 16-25. They were sitting and smoking, and it appeared they were a part of a gang. Pastor Desmond approached these young men and asked if he could pray for them. They said ok, so Pastor Desmond asked them to all hold hands. He felt silly asking them this, but knew the Lord was prompting him. As they began to pray, he asked if they would like to invite Jesus into their lives, and they all said YES! They saw Pastor Desmond was carrying oil, so they asked to be anointed. All were anointed and prophesied over.

Healings

Every Thursday Pastor Desmond and his team do prayer and worship at a tire shop in Tivoli Gardens. One Thursday a man who was walking by, stopped, was saved and then experienced physical healing! He had extreme stomach pain that caused him to be bent over as well as pain on the left side of his face. After they prayed with him to receive Jesus his stomach and face were healed. He straightened up and began praising God!

PARTNER WITH US IN PRAYER

- Richard Gordon, a former notorious gunman in West Kingston who served 18 years in prison and is now on fire for Jesus, is leading the charge for Jamaica missions in Tivoli Gardens. He needs financial support to continue the work there. **Brother Richard is extremely important to the success of the mission.**
- Back to School outreach for Tivoli Gardens in August 2019
- NYC missions and outreach
- Nairobi, Kenya: Violet Atemo Ogenda, a mother of six children in the poor village of Jenga, needs our prayers and financial support.

KINGDOM COOKOUT

Pastor Desmond and his team put on a cookout to bless the people of Tivoli Gardens and over 500 people showed up! Crowds came and went throughout; there was enough food for everyone, the gospel was preached, and they worshipped together. The word has continued to be spread powerfully throughout the community!

The stove given for the feeding outreach!!
