MISSION IN AFRICA

A few months ago we visited East Africa where God gave us the privilege and honor to fellowship and share the love of Jesus to people on the streets, businesses, schools, homes and churches of Kenya and Uganda. We focused on the capital cities and surrounding rural areas: Nairobi and Jenga in Kenya; Kampala and Mbuya Kinawataka in Uganda. We were wonderfully hosted by **Bishop Shem Otinga of PEFA Kware Church of Nairobi, Kenya**; and **Pastor Lawrence Balabyekisa of Life In Jesus Center Church of Mbuya Kinawataka, Uganda**.

God moved in power all over Africa. In one village, we were walking and praying for children. A man came to us and wanted us to stop praying. Pastor Desmond felt like God said to go to the other side of the street, so we did. We began praying for people on the opposite side of the street, and pretty soon everyone crossed over the street without any more opposition.

In Kampala, Uganda, after a church service, a local pastor and Pastor Desmond went out into the community to pray for people. They approached some men and began to pray for them. As they were praying, a woman ran and put Pastor Desmond's hand on her head wanting him to pray for her. There was such a hunger for God and prayer that the people in the streets began to rejoice saying they had been waiting for prayer for a long time.

At the Pipeline PEFA Kware church in Nairobi, Kenya, Pastor Desmond ministered to a church and over 100 people experienced deliverance. He was able to prophesy over each person and people experience both physical and emotional healing.

PARTNER WITH US IN PRAYER

- For a community stove for **Bigger Better School Feeding Program** in Tivoli Gardens, West Kingston, Jamaica. With this stove they can feed hundreds of kids on their way from their homes in the ghetto to school. We partner with them to help nourish these children and their families physically and spiritually.
- For trust to be reestablished in the **Tivoli Gardens, West Kingston** community. This area has a history of gang violence and since it's been several months since visiting, we need an acceleration in trust.
- For covering against spiritual warfare and endurance as we travel for the next three months in Jamaica ministering on the streets, four days a week, eight hours a day.
- For endurance and a core team to surround Pastor Desmond as he prays for people in homes and businesses.
- For the Ugandan and Kenyan pastors and families and communities. Pray for their dreams to become a reality, like **Violet Atemo Ogenda**, a single mother of 4 girls and 2 boys in the poverty stricken area of Jenga. They all have dreams of pursuing professional careers (doctor, chef, electrical engineering, hospitality & tourism, truck driver). The four daughters have dropped out of school and college to support the family. Pray for finances for this family. **With just \$100/month their food and rent would be covered!**
